The Chamber uses funds from this campaign to support local groups, our website and help to fund scholarships for local teens. Our organizations, believes it is important to re-distribute funds back to our local community. Your business or organization can be apart of this effort by joining our organization. Recently the Chamber contributed \$2000.00 to the Columbia Library for the tile mural that has been placed in the Columbia Library. This mural reflects the history of Columbia Township. Many thanks to all our members for their support; they made it possible to help support this project. Together we can make a difference.

The Chamber offers many benefits to local businesses, through our membership to NOACC. Northern Ohio Association of Chamber of Commerce. This membership gives all our members the opportunity to help reduce business cost. Members can potentially save on workmen's compensation, health insurance, credit card processing fees and numerous other services available at discounted cost to our members. Come to the Columbia Chamber of Commerce meeting on December 10, 2003 or our website www.columbiastation.com or the NOACC website www.noacc.org for more details on how your business can SAVE \$\$ for your company.
